Request: Details of CIBC Purpose Awards for Tatika Anderson (HR

My name is Tatika Anderson (HR ID - and I was referred to you by the CIBC HR Contact Centre. $I \ am \ seeking \ your \ help \ to \ gather \ the \ details \ of \ the \ CIBC \ Purpose \ Awards \ that \ I \ received \ during \ my \ time \ working \ at \ the \ bank.$

For each of these awards, can you assist me with (at least) the following:

Date of award (Month/Year)
Name and role of person who gave me the award
Stated purpose of the award Please let me know if you require any additional information.

I will paste the results of your request at the bottom of my reply. I was thinking I might send you the Excel file but I'm not sure if you would be able to open that. I opted for this method instead.

Some titles for the folks who gave you these awards I wasn't able to find as they may no longer be with the bank or employed in the same capacity.

ingent Worker, Analytics and Reporting Thank you Tatika. Its great to have you on team Innovators.

Achievement Description irrector, Business Systems Analysis Dear Tatika, I'm amazed at how you're able to quickly get up to speed to understand the LCTR Phase 2 (business requirements, while building your knowledge on various RBSS systems/domains by understanding CAMLR Phase 1 (current state), in order to make meaningful connection for RBSS teams on what is required from an eFTS solution requirements standpoint for LCTR Phase 2 (future state). You are someone we all count on! Thank you, Nhat Duong

tor, Business Systems Analysis

Thank you Julie, Marie, Reynaldo and Tatika for being part of the Office Olympic Committee to plan and execute the RBSS BA team.

Thank you for your reativity is amazing! Thank you for your help to foster a tightly-knit community for the RBSS BA team.

consultant, Business Controls Tatika, Thank you for keeping us on task, and helping with the requirements and walk-throughs. Your work is making a difference to the team, and it is very much appreciated. Keep up the great work! sultant, Business Controls

Hi Tatika, I want to take a moment to thank you for doing a fantastic job on the auth. trans. program. You took on an important role within days of joining the team and have been leading the meetings, managing issues, and driving points home on a daily basis. You have gone above and beyond to ensure that we meet our targets. All these things show that you embody true leadership. Thanks for being who you are. It is an absolute pleasure working with you. Thanks, Arjun.

C Hi Tatika, You have been just phenomenal in driving the business requirements with top notch collaboration skills to facilitate complex discussion and getting to an end result(s) in a timely manner. Also, you made special effort to send out a deliverable for signoff during the long weekend to ensure we as a team are not delayed. Much appreciate your efforts. Well done. - Indrajit

Manager, Business Systems Analysis It is an absolute pleasure to work with you and would like to use this opportunity to thank you for all your hard work , dedication and contributions . Kudos to a year round of successful projects , excellent team collaboration and most importantly learnings. Wishing you and very happy Employee Appreciation Week.

в Congratulations team: Today we are celebrate and team to congration team to congrate and team

Tatika is doing a wonderful job with the Auth Trans Phase 2.1 work. She walks to a purpose and including everyone), her stakeholders from diverse team through all the details, ensures that the work is done in an agile fashion, that proper governance is followed, that the solution ultimately leads to a purpose and including everyone), her stakeholders from diverse team through all the details, ensures that the work is done in an agile fashion, that proper governance is followed, that the solution ultimately leads to a purpose and including everyone), her stakeholders from diverse team through all the details, ensures that the work is done in a diverse team through all the details, ensures that the work is done in a diverse team through all the details, ensures that the work is done in a diverse team through all the details, ensures that the work is done in a diverse team through all the details, ensures that the work is done in a diverse team through all the details, ensures that the work is done in a diverse team through all the details, ensures that the work is done in a diverse team through all the details, ensures that the work is done in a diverse team through all the details, ensures that the work is done in a diverse team through all the details, ensures that the work is done in a diverse team through all the details, ensures that the work is done in the wor Consultant, Business Controls

Tatika, Thank you for all your hard work and dedication on the Auth Trans Program. You made a huge impact and on track. You've played a huge role in onboarding new BA resources in phase 2, while making sure there's continuity between the requirements work packages and oversaw the program. Thank you for everything!
